  - e. is required to be disclosed by judicial order or other compulsion of law, provided that the Receiving Party provides to Realcomp prompt notice of any such order.
21. **Title.** The Receiving Party acknowledges that title to the Confidential Information remains at all times with Realcomp or with the third parties in whom title existed prior to this Agreement or prior to disclosure by Realcomp.
22. **Restrictions on Use – Scope of Use.** The Receiving Party will use or access the Confidential Information only as expressly permitted under this Agreement and the Rules and the Receiving Party will not use its access or the Confidential Information for any other purpose. 23. **Restrictions on Use – Unauthorized Uses.** The Receiving Party will not make copies of the Confidential Information. The Receiving Party will not directly or indirectly disclose, display, provide, transfer or otherwise make available the Confidential Information to any person or entity, unless the Receiving Party has received prior written consent of Realcomp to do so. ## **TERM AND TERMINATION**

27. The term of this Agreement begins on the "Effective Date" set forth on the "Realcomp Information and Signature Page" below. 28. **Survival of Obligations.** The obligations of Office set forth under "Office's Obligations" above and the obligations of Consultants under "Consultants' Obligations" above shall survive the termination or expiration of this Agreement.
29. **Realcomp's Remedies.** Because of the unique nature of the Subscriber Data and Confidential Information, Office and Consultant acknowledge that Realcomp

would suffer irreparable harm in the event that any of them breaches its obligation under this Agreement, and that monetary damages would be inadequate to compensate Realcomp for a breach. Realcomp is therefore entitled, in addition to all other forms of relief, to injunctive relief as may be necessary to restrain any continuing or further breach by Office or Consultants or any one of them, without showing or proving any actual damages sustained by Realcomp.

30. **Attorney's Fees.** If Realcomp prevails in any action to enforce or interpret this Agreement or any provision hereof, the party against whom enforcement or interpretation was sought will pay Realcomp's reasonable attorney's fees and costs for such legal action.
31. **Limitation of Liability.** Realcomp's liability to Office and Consultants for damages under this Agreement, whether in contract or tort, shall be limited to the aggregate amounts paid by Office and Consultants to Realcomp, if any, under this Agreement. Office's and Consultants' only other remedy shall be termination of this Agreement. Realcomp shall not be liable for any incidental or consequential damages under any circumstances, even if Realcomp has been advised of the possibility of such damages. Realcomp shall have no liability for inaccuracies in the IDX Data or the Subscriber Data.
32. **Notice.** All notices to be given under this Agreement shall be mailed, sent via facsimile transmission, or electronically mailed to the parties at their respective addresses set forth below or such other address of which any party may advise the others in writing during the term of this Agreement.
33. **No Waiver.** No waiver or modification of this Agreement or any of its terms is valid or enforceable unless reduced to writing and signed by the party who is alleged to have waived its rights or to have agreed to a modification.
34. **No Assignment.** Neither Office nor Consultants, nor any of them, may assign or otherwise transfer any of their rights under this Agreement to any party without the prior written consent of Realcomp.
35. **Entire Agreement.** This Agreement contains the full and complete understanding of the parties regarding the subject matter of this Agreement and supersedes all prior representations and understandings whether oral or written. The previous sentence notwithstanding, the Rules are expressly incorporated into this Agreement by reference.
36. **Applicable Law.** This Agreement is governed by and enforced according to the laws of the State of Michigan.

## Access to Internet Data Exchange (IDX) Data Consultant Information and Signature – Page 2

### NOTES TO CONSULTANT:

1. *Be sure to complete one copy of this Access to IDX Data contract with Realcomp and for every real estate Participant and Brokerage to which you provide services. If you sign only one and that Office's access to the IDX Data is terminated, you will not be able to get the data for your other clients.*
2. *Remember you must provide Realcomp with an updated Realcomp Participant and Brokerage list within the first two weeks of each quarter (Jan, Apr, Jul, Oct) and immediately upon request.*
3. *Remember you must pre-validate new Brokerage customers for IDX Display against RETS and re-validate each and every one on a weekly basis to confirm their active status. You may only provide IDX Display to Participants and their Brokerages who are currently active with Realcomp.*
4. *Realcomp has partnered with ListTrac to provide our subscribers with real-time online analytics related to their listings. Realcomp is requiring that the ListTrac monitoring code be included in the listing detail page of all IDX displays. Please register using the following link: <http://realcomp.listtrac.com/admin/register>. After registering/logging in, you will be directed to a "Developers" area that guides you through the implementation steps. If you have any technical questions related to the implementation, please contact ListTrac directly at [support@listtrac.com](mailto:support@listtrac.com).*
5. *Realcomp has partnered with Workforce Resource® to offer its subscribers a service called Down Payment Resource (DPR) that helps connect eligible homebuyers and eligible properties with programs for down payments, grants, closing costs, tax credits and more. Previously integrated into our RCO3 MLS system, now our brokers and agents can also embed this tool into their IDX websites. With Down Payment Resource installed, your own sites can identify for consumer website visitors the same DPR-eligible properties as available in RCO3, enhancing both the end user's experience and brokers' and agents' marketing reach. Our subscribers receive leads from interested consumers, the delivery of which is handled by the DPR system once installed on a broker's or agent's website. Setup is simple and instructions are available at <http://realcomp.moveinmichigan.com/Products-Services/Services-Products/Down-Payment-Resource>. Please use this guide to install the DPR IDX tool for Realcomp subscribers.*

*Realcomp has incorporated the DPR field in RETS. The System Name "DownPaymentResourceYN" is a Y/N lookup that identifies properties that may qualify for down payment programs. For DPR technical assistance please contact [SeanM@DownPaymentResource.com](mailto:SeanM@DownPaymentResource.com).*
